

Ladner Minor Baseball's Coaching Clinics

Ladner Minor Baseball encourages all coaches to take coaching courses. Each year LMBA will run a coaching clinic for coaches who wish to improve their baseball and coaching skills. The initiation coaching clinics are strongly recommended for all coaches who have not been previously exposed to these programs. The clinics are very helpful in keeping your prospective on the coaching role.

LMBA will pay for the certification levels for the coaches after they have completed the clinic. Coaches are responsible for paying for the clinics. If a clinic is 4 hours or more, the time spent at the clinic will go towards their Parent Participation time. Each coach *must* produce a signed receipt dated the last day the clinic was held.
