

Uniform Information

Ladner Minor Baseball supplies uniforms to all its players.

Rally Cap players will receive a Ball Cap and T-Shirt which is included in the registration fees. Ball Caps and T-Shirts are kept by the players.

All other Division Players are provided a Jersey, Pants and Ball Cap. The Ball Cap is kept by the player.

\$100 Uniform Deposit Cheque is required for all players from Super-T to Midget. Cheques are to be post dated to August 1st 2010 and required at Registration.

Without the Deposit Cheque a player will not be added to the registrar's list of available players, will not be available for team selection and will not receive a Uniform.

This cheque is cashed if your uniform is not returned by the end of June.

Rally Cap and Super-T Uniforms are given to the Coach and are distributed by the Coach or Team Manager to the players.

Tadpole to Midget players are to be sized at the equipment shed for their uniforms.

The Coach or Team Manager will be scheduled a specific time to bring the team to the shed for outfitting. The Coach or Team Manager is responsible for recording the size and number of each jersey and the size of pants for each team player on the sheet provided by the Equipment Manager and returning it when completed.

At the end of the season, the same will be done to return the uniforms. ***Remember, failure to return the uniform will result in the player's deposit cheque being cashed.***

Due to hygiene reasons, we do not supply batting helmets.

Also, it is required that all players wear athletic protective equipment (i.e. jocks & jills) for games and practices.

Please contact the [Equipment Manager](#) for more information.
