

LMBA Social Media and Electronic Communications Policy

Social Media & Electronic Communications policy will encompass public communications through such internet mediums and websites such as, but not limited to, Facebook, Twitter, Instagram, Snap Chat and any public email communications. This also includes any other social media networks that allows users to communicate online.

The Ladner Minor Baseball Association (LMBA) social media policy states that players and coaches will use social media practices that comply with all rules set out in our Code of Conducts – Player or Coach; and as well; players and coaches also agree to:

Not publish, author or co-author any images or written material that can be construed as:

- Derogatory
- defamatory
- demeaning
- threatening
- depicting illegal behavior
- private or confidential material about any player, organization, coach, team or official.

Contravention of this policy will be considered in the same manner as any contravention of a Player or Coach Code of Conduct.
